Renew Me

Stephanie Smith

Another day, and before I begin
Something within me says
I'm not okay, lets address this emptiness
Cause I'm really a messSavior of this heart
You renew me
And let me start againWhat can I say
Despite my attempts
I'm still stuck in this shame
So take it away
You're the only one who canSavior of this heart
You renew me And let me start
Savior of this heart
Breakthrough and save me from what
I choose to be so I can start again
