Dance With Me

Kevin Lyttle

I see the way you lookin'
Sexy and off there dancing all night on the floor
Come baby, show me how you
You work that body, shorty, do what you came here for
Baby, come and dance with me
Dance with me, dance with me
'Cause you're so lovely, dance with me
Dance with me, dance with me
Girl, come close and dance with me
Dance with me, dance with me
Feels so good when you dance with me
Dance with me, dance with me
I know it's kinda crowded, make no mistake about it
I'll find my way to you
Baby, I really want it, I'm trying to get up on it
Do what you wanna do 'cause I
I can go and tell the DJ to put on your favorite song
Or whatever song you want
That's gonna make you shake your thong
Ain't no shame in what you're doing, baby
There ain't nothing wrong
So keep doing what you're doing, girl
'Cause, oh, you turn me on
Baby, come and dance with me
Dance with me, dance with me
'Cause you're so lovely, dance with me
Dance with me, dance with me
Girl, come close and dance with me
Dance with me, dance with me
Feels so good when you dance with me
Dance with me, dance with me
I've seen girls dance before
But I've never seen 'em dance like this
I've seen girls shake before
But I've never seen 'em shake like this
I've seen girls dance before
But I've never seen 'em dance like this
I've seen girls shake before
But I've never seen 'em shake like this

Baby, come and dance with me
Dance with me, dance with me
'Cause you're so lovely, dance with me
Dance with me, dance with me
Girl, come close and dance with me
Dance with me, dance with me
Feels so good when you dance with me
Dance with me, dance with me
I can go and tell the DJ to put on your favorite song
Or whatever song you want
That's gonna make you shake your thong
Ain't no shame in what you're doing, baby
There ain't nothing wrong
So keep doing what you're doing, girl
'Cause, ooh, you turn me on
[Incomprehensible]Baby, come and dance with me
Baby, come and dance with me
Girl, come closer
Baby, come and dance with me
Baby, come and dance with me
Dance with me, dance with me
Dance with me, dance with me, dance with me
