More Love

Tim O'Brien

I'm so close to you baby but I'm so far away
There's a silence between us
And there's so much to sayYou're my strength, you're my weakness
You're my faith, you're my doubt
We gotta meet in the middle
To work this thing outMore love, I can hear our hearts cryin'
More love, I know that's all we need
More love to flow in between us
To take us and hold us and lift us above
If there's ever an answer it's more loveWe're afraid to be idle so we fill up the days
We run on a treadmill
Keep slavin' awayUntil there's no time for talkin'
About troubles in mind
And the doors are all closed
Between your heart and mineMore love, I can hear our hearts cryin'
More love, I know that's all we need
More love to flow in between us
To take us and hold us and lift us above
If there's ever an answer it's more loveJust look out around you, people fightin' their wars
They think they'll be happy
When they settle their scoresLet's lay down the weapons
That hold us apart
Be still for just a minute
Try to open our heartsMore love, I can hear our hearts cryin'
More love, I know that's all we need
More love to flow in between us
To take us and hold us and lift us above
If there's ever an answer it's more love
