Hold It

Georgia

Throw the punch, throw the punch
on me. Make believe, make believe
you'll see.Nothing comes from it, just hold it
hold it.Nothing comes from it, just hold it
hold it.Just Hold It, Just Hold it, Just Hold it, Just Hold it.Throw the punch, throw the punch
on me. Walk away, shit stays
easily.Nothing comes from it, if enough is not enough.
Walk away, shit stays
easily.Nothing comes from it, just hold it
hold it. (if enough is not enough)
Nothing comes from it, just hold it
hold it. (if enough is not enough)If enough is not enough.If enough is not enough.
If enough is not enough.
Just Hold it
