

Too Young to Be In Love

Hunx & His Punx

Why won't you do it with me

I wanna do it with you

You are my bad boy

My little pile of joy

When I saw you I knew you were the one

The way you looked at me when it only just begun

I wish I would've known then what I know now

It wouldn't last too long but it never does, does it?

Cause I'm too young to be in love

I'm too young to be in love

So please oh please

Don't break my heart

I wanna go I wanna go back to the start

I wanna cry I wanna cry on your shoulder

I wanna be I wanna be your toy soldier

I should've listened to my mom

I knew I shouldn't have taken you to that prom

And now that it's all come to an end

Nothing can mend my teenage heart again

Nothing can mend my teenage heart again

Nothing can mend my teenage heart again

Nothing can mend my teenage heart again

I'm too young to be in love

I'm too young to be in love

I'm too young to be in love

I'm too young to be in love

Too young to be in love
