Isobella

Alunas

[Irish (Gaelic) Translation]I do bheatha sa tus, sa deireadh,
I do bheatha sa tus, sa deireadh.
Isobella, o
Isobella, o
I do la 's tu go samh
I do la 's tu go fior.
Gra, anois go deo na ndeor.
I do bheatha sa tus, sa deireadh
I do bheatha sa tus, sa deireadh
Isobella, o
Isobella, o
I do la 's tu gan buairt
I do la 's tu gan bron
Gra, anois go deo
Gra, anois go deo na ndeor.
In your life in the beginning, in the end
In your life in the beginning, in the end
Isobella, o
Isobella, o
In your day while you were so peaceful,
In your day while you were so true,
Love, now forever and ever,
In your life in the beginning, in the end

In your life in the beginning, in the end
Isobella, o
Isobella, o
In your day while you were without trouble, [1]
In your day while you were without sorrow,
Love, now forever,
Love, now forever and ever,
[English Adaptation by Roma Ryan]Out of morning and into midnight,
Through the sunrise and under moonlight.
Isobella, oh!
Isobella, dream of me.
Everything that comes from day
Comes into the heart to stay.
Love is in your name each day.
In the moment you come before me,

In that moment I see you only
Isobella, oh!
Isobella, dream of me.
Everything that comes from night
Comes within your shining light.
Love is in your name each night.
