

# Tears In The Rain

## The Weeknd

[Hook x2]  
They all feel the same  
Adjust to the fame  
Because no one will love you like her  
It's pointless  
Like tears in the rain  
So now that she's gone  
Embrace all that come  
And die with a smile  
Don't show the world how alone you've become[Verse 1]  
When it's said and done  
I already felt love  
And I let it end up  
End up dying by itself  
And when it's said and done  
You were better off  
You deserve real love  
And I deserve to be by myself  
Because I've gone too far  
And I started too young  
To give up  
And even if I changed  
It would be too late  
I exposed my ways  
Now every girl I touch (they all feel the same)[Hook][Verse 2]  
I should've let you leave  
But, I let you watch me slip away  
I could've set you free  
But, I'm selfish  
I watched you stay[Bridge x2]  
She has no recollection  
Of the life she had without me  
She let it slip away, away, away  
It's so sad it had to be this  
She forgot the good things about me  
She let it slip away, away, away[Hook (x2) + Bridge]
