

# Taste The Feeling (Avicii Vs. Conrad Sewell)

Avicii

It feels good, in my heart, in my soul,  
When you're right here beside me  
I don't ever want this day to end We can watch the waves, have a Coke  
And you sit here beside me  
Take a little long my heart again  
So we can feel whatever you feel  
Together be real, together and No one can stop me when I taste that feeling  
Nothing could ever bring me down  
No one can stop me when I taste that feeling  
Nothing could ever bring me down You make it easier to sing it  
You make it easier to sing it Feels good as we stand on the shore  
And now our hearts are jumping  
Grab another Coke and let's dive in  
Oh, my love, there's a song in my soul  
When you are around me  
You make it easier to sing it  
So we can feel whatever you feel  
Together be real, together at No one can stop me when I taste that feeling  
Nothing could ever bring me down  
No one can stop me when I taste that feeling  
Nothing could ever bring me down With every fading sunset  
We see the stars aligned  
We make the simple moments last for a lifetime  
So, we can feel forever  
You and me, together  
We stay free forever  
And be real together No one can stop me when I taste that feeling  
Nothing could ever bring me down  
No one can stop me when I taste that feeling  
Nothing could ever bring me down  
You make it easier to sing it  
You make it easier to sing it
