Snap Your Fingers

Barbara Lewis

(Snap your fingers)
And I'll come running
(Back to you)
On bended kneesSnap your fingers
I will come running
I'll be true
Take a chance on meLet your light turn green
Baby, I got to know
Give me some kind of clue
Should I stay or go?Let me love you like a lover
That you used to know
Turn the key and let me in
To the same old door
(That same old door)I had it, but lost it
Now, I got a broken heart to mend
I don't care what the cost is
Got to find a way back inSo, snap your fingers
Baby, I'll come running
I'll do anything
To get back again
(Get back again)I don't care what the cost is
Got to find a way back inSo, snap your fingers
Baby, I'll come running
I'll do anything
To get back again
To come back again
(To come back again)
