Blake Shelton

Another summer day  
Has come and gone away  
In Paris and Rome  
But I wanna go home Maybe surrounded by  
A million people I  
Still feel all alone, I wanna go home  
Oh, I miss you, you know And Ive been keeping all the letters  
That I wrote to you, each one a line or two  
Im fine baby, how are you?  
I would send them but I know  
That its just not enough, my words were cold and flat  
And you deserve more than that Another airplane, another sunny place  
Im lucky I know but I wanna go home  
Ive got to go home, let me go home  
Im just too far from where you are  
I wanna come home And I feel just like Im living someone elses life  
Its like I just stepped outside  
When everything was going right  
And I know just why you could not come along with me  
This was not your dream  
But you always believed in me Another winter day  
Has come and gone away  
In even Paris and Rome  
And I wanna go home  
Let me go home And Im surrounded by  
A million people I  
Still feel alone and I wanna go home  
Oh, I miss you, you know Let me go home  
Ive had my run  
Baby, Im done  
I'm coming back home Let me go home  
It will all be all right  
Ill be home tonight  
Im coming back home
