

# Against the Wind

Bonnie Tyler

Living in a danger zone  
A lonely man a lonely child  
So many miles away from home  
Emotions running wild with me Come take my heart  
Come feel the burns of fire  
Come and break my heart  
And feel my loving mind Oh against the wind I'm flying  
Against the wind I'm crying  
This night was made for a lonely  
Don't break my heart tonight, no Oh you need a helping hand  
The times are getting tough  
Baby come and try again  
There's no living without love, in my heart  
It's hard for me, but it's harder to ignore it  
Oh my fantasy, come feel my love tonight
