

# Leave a Scar

## Marilyn Manson

It's not like I made myself a list  
Of new and different ways to murder your heart  
I'm just a painting that's still wet, if you touch me I'll be smeared  
You'll be stained, stained for the rest of your life So turn around, walk away  
Before you confuse the way we abuse each other  
If you're not afraid of getting hurt  
Then I'm not afraid of how much I hurt you I'm well aware I'm a danger to myself  
Are you aware I'm a danger to others?  
There's a crack in my soul, you thought was a smile Whatever doesn't kill you is gonna leave a scar  
Whatever doesn't kill you is gonna leave a scar I'm more like a silver bullet  
And I'm like a gun, not easy to hold  
I'm moving fast and if I stay inside your heart  
I'm certain that this will be the end of your life So turn around, walk away  
Before you confuse the way we abuse each other  
If you're not afraid of getting hurt  
Then I'm not afraid of how much I hurt you I'm well aware I'm a danger to myself  
Are you aware I'm a danger to others?  
There's a crack in my soul, you thought was a smile Whatever doesn't kill you is gonna leave a scar  
Whatever doesn't kill you is gonna leave a scar  
Leave a scar, leave a scar  
Whatever doesn't kill you gonna leave a scar She warned you that she may fuck me  
But chances are I'm gonna fuck you over Whatever doesn't kill you is gonna leave a scar  
Whatever doesn't kill you is gonna leave a scar  
Leave a scar, leave a scar  
Whatever doesn't kill you gonna leave a scar
