Hollow

Integrity

Blind overwhelmed completion as your desires and atrocities
(come to pass) exposing your soul to weakness
all set deep beneath leaded glass
(chorus) Precious flesh and greed beyond your hopes
beyond your dreams
Hollow (curse)
fire in me
I can't feel
I can't breathe
Together externally boxed
in flesh entirely
Fulfillment of your pride self absorbed,
never,
ever satisfied
Visions of depth and confusion entangled with disturbance
and sin A time is called for atonement as this nightmare comes to an end.
(chorus repeated) In the blackened heart of all your fears circling around,
I invite the shadows near no longer contained by your evils outweighing the curse of humanity.
