

Just To Satisfy You

Glen Campbell

Someone's gonna get hurt before you're through
Someone's gonna pay for the things you do
How many hearts will break, how many will it take
Just to satisfy you, just to satisfy you? Another love, another fool, to play your game
Another love, another fool, they're all the same Someone's gonna get hurt before you're through
Now don't be surprised if that someone is you
You're gonna find when it's too late
A heart that just won't break just to satisfy you, oh, just to satisfy you You're gonna find when it's too late
A heart that just won't break
Just to satisfy you, oh, just to satisfy you
What does it take to satisfy you, oh, just to satisfy you?
(Just to satisfy you)
