Boy And The Ghost (Izumix)

Tarja

The streets are empty, inside it's warm
His hands are shaking, they locked the door
A voice is calling asking to get inAll he wanted was a toy
All he needed was a gentle heart
To lead him through the dark
When his dreams are running wildBoy and the ghost, fire's not burning
The lights went out, the lights went outBig family dinner, the untold tale
Their eyes are sparkling on his frozen face
Angel's calling asking to get inAll he wanted was a toy
All he needed was a gentle heart
To lead him through the dark
When there's nowhere left to fallBoy and the ghost, his eyes are burning
The lights went out, the dream is onWake up, wake up, there's an angel in the snow
Look up, look up, it's a frightened dead boy
With so much hate, such bad dreams
He could have seen the toy's the key
But no one saw, no one sawAll he wanted was a toy
All he needed was a bleeding heart
To lead him through the dark
Boy and the ghostDespero, solitas, debilis, desolo
Despero, solitas, debilis, desoloWhen there's nowhere left to fall
Nowhere to hide, his silence is hurting
Inside it's cold, sleep or die
Nowhere to go, nowhere to hideHis light went out
