## Lowriders

I used to care so much about  
What others think about  
I almost didn't have  
A thought of my own  
The slightest remark  
Would make me embark  
On a journey of self-doubt  
But that was a while ago  
This girl has got stronger  
And if I knew then what I know now  
I would have told myself  
Don't worry any longer, it's okay  
'Cause a face without freckles  
Is like a sky without the stars  
Why waste a second  
Not loving who you are  
Those little imperfections  
Make you beautiful, lovable, valuable  
They show your personality inside your heart  
Reflecting who you are  
Who you are  
Who you are  
Who you are  
I wondered if I could trade my body  
With somebody else in magazines  
With the whole world fall at my feet  
I felt damn worthy  
And would blame my failures  
On the ugliness I could see  
When the mirror looked at me  
Sometimes I still feel like that little girl  
Who doesn't belong in her own world  
But I'm getting better  
And reminding myself  
That a face without freckles  
Is like a sky without the stars  
Why waste a second  
Not loving who you are  
Those little imperfections

Make you beautiful, lovable, valuable  
They show your personality inside your heart  
Reflecting who you are  
Reflecting who you are  
Reflecting who you are  
'Cause a face without freckles  
Is like the sky without the stars  
Why waste a second  
Not loving who you are  
Those little imperfections  
Make you beautiful, lovable, valuable  
They show your personality inside your heart  
Reflecting who you are  
Reflecting who you are  
Reflecting who you are  
Reflecting who you are  
Reflecting who you are
