

# For a While

## The Band CAMINO

Out of touch and out of line

The girl you never find

She's so damn honest

And she wont stick around for sure

The guy that she'll ignore

She's too damn honest It's ok, its alright, I dont mind wasting time i'll be fine

Hide my heart, how I feel, pretend this is real for a while Seasons change but people dont

Oh and I know you wont

But at least you're honest

At least you're honest

It's ok, its alright, I dont mind wasting time i'll be fine

Hide my heart, how I feel, pretend this is real for as while

It's ok, its alright, I dont mind wasting time i'll be fine

Wear my heart on my sleeve make it harder to breathe for a while

It's ok, its alright, I dont mind wasting time i'll be fine

Wear my heart on my sleeve make it harder to breathe for a while

It's ok its alright i dont mind wasting time ill be fine

Hide my heart, how I feel, pretend this is real for a while It's ok, its alright, I dont mind wasting time i'll be fine

Wear my heart on my sleeve make it harder to breathe for a while
