

Who's Your Daddy (feat. Weebl)

Ihascupquake

Who's your daddy?
What What's he do
Who's your daddy?
What what's he do
Who's your Daddy?
Your daddy
Who's who's your daddy?
Who's your daddy? your daddy
What what's your daddy do?

Drinking bleach all day
That's how I like to play
Keep my daddy on his toes
Watch me in my death rows
See an open oven
Gonna crawl right in it
Gonna give myself
Sipid crispy baby skin

Is this dangerous?
Hmm, I don't know
I'm a baby
All I know is that I'm driving my daddy crazy
Gonna put this fork
inside a plus socket
This is baby fun daddy
Please don't stop it

Who's your daddy?
What What's he do
Who's your daddy?
What what's he do
Who's your Daddy?
Your daddy
Who's who's your daddy?
Who's your daddy? your daddy
What what's your daddy do?
Who's your daddy?
What What's he do

Whoâ€™s your daddy?
What whatâ€™s he do
Whoâ€™s your Daddy?
Your daddy
Whoâ€™s whoâ€™s your daddy?
Whoâ€™s your daddy? your daddy
What whatâ€™s your daddy do?

Daddy
put that dangerous teddy away
I just wanna play
With rat poison all day
Canâ€™t you read the label
It says made in China
That Shits bound to give you
Some sort of baby angina

Honestly papa
What the hell are you thinking
N-never mind though
This petrol that iâ€™m Drinking
Small plastic toy
In My mouth, What a joke
Anyone would think
that you want me to choke

Whoâ€™s your daddy?
What Whatâ€™s he do
Whoâ€™s your daddy?
What whatâ€™s he do
Whoâ€™s your Daddy?
Your daddy
Whoâ€™s whoâ€™s your daddy?
Whoâ€™s your daddy? your daddy
What whatâ€™s your daddy do?
Whoâ€™s your daddy?
What Whatâ€™s he do
Whoâ€™s your daddy?
What whatâ€™s he do
Whoâ€™s your Daddy?
Your daddy
