

# Snappy Snaps

[Dave Grusin](#)

Enter the lyrics here I am Snappy, the little crocodile  
I come from Egypt, located at the Nile  
I was trapped in my egg at first,  
But snip-snap-snap and then it burst. Snip Snap Snappy  
Snappy Snappy Snap  
Snip Snap Snappy  
Snappy Snappy Snap I am Snappy, the little crocodile  
I have sharp teeth, show lots with every smile  
I snap up everything I smell,  
I snap because I can so well Snip Snap Snappy  
Snappy Snappy Snap  
Snip Snap Snappy  
Snappy Snappy Snap I am Snappy, the little crocodile  
I like to snap because it makes me smile  
For my Mom, I'll set a little trap  
And then she'll see how well that I can snap Snip Snap Snappy  
Snappy Snappy Snap  
Snip Snap Snappy  
Snappy Snappy Snap I am Snappy, the little crocodile  
I could go on snapping for a while  
I'll just bite my Papa on the toe  
And then off to sleep I go Snip Snap Snappy  
Snappy Snappy Snap  
Snip Snap Snappy
