Brand New Hairstyle

Smoking Popes

I'm looking for a brand new hairstyle
One that I can call my own
One that says I'm not afraid to be my own manOne that makes you glad to see me
One that makes me glad to be me
One that I can wear with pride when I go outside, yeahI'm tired of caring about
What other people say
My hair is on my head
My hair is mineI need a brand new outlook
To face a brand new day
I need a brand new hairstyle in a big wayI'm looking for a brand new hairstyle
One that I can call my own
One that says I'm not afraid to cut my own hairOne that makes you glad to see me
One that makes me glad to be me
When I go outside
