Certain Things

Gay Marvine

(Verse)
Something about you
It's like an addiction
Hit me with your best shot honey(Verse)
I've got no reason to doubt you
'Cause certain things hurt
And you're my only virtueAnd I'm virtually yours(Pre-Chorus)
And you keep coming back, coming back again
Keep running round, running round, running round my head(Chorus)
And there's certain things that I adore
And there's certain things that I ignore
But I'm certain that I'm yours
Certain that I'm yours
Certain that I'm yours(Verse)
There's something about you
It's when you get angry
You have me at your mercy(Verse)
And you're like a shoulder to turn to
Cause certain things burn just when we're hanging on for dear life
We held on so tight(Pre-Chorus)
And you keep coming back, coming back again
Keep running round, running round, running round my head(Chorus x2)
And there's certain things that I adore
And there's certain things that I ignore
But I'm certain that I'm yours
Certain that I'm yours
Certain that I'm yoursI adore you... I adore you...
Certain that I'm yours
