

# Crucial Velocity

## Clutch

Peacekeeping agents from several futures  
They got a warrant out. Some judge's letter.  
What it is I'm going to do I haven't done.  
They've got their probabilities, but I've got something much better.

My Rocket 88  
Fastest in the land.  
Crucial.  
Crucial Velocity.

My Rocket 88  
Fastest in the land.  
Crucial.  
Crucial Velocity.

Everybody, everybody keeps telling me  
?Neil you got to quit your lowdown ways?  
So I ask them if they have a solution  
And they just shake their head and slowly walk away.

They've made it clear they're not playing by the book.  
They've taken to tinkering with my history.  
And in this time when everything is relative  
There's still one thing left I have going for me.

My Rocket 88  
Fastest in the land.  
Crucial.  
Crucial Velocity.

My Rocket 88  
Fastest in the land.  
Crucial.  
Crucial Velocity.  
STEP ON IT!

Doesn't really matter how it all started.  
Doesn't really matter how it's gonna end.  
Cause in these times everything is uncertain.

In uncertain times, you need a reliable friend.

My Rocket 88  
Fastest in the land.  
Crucial.  
Crucial Velocity.

My Rocket 88  
Fastest in the land.  
Crucial.  
Crucial Velocity.

Everybody, everybody keeps telling me  
?Neil you got to quit those lowdown ways?  
So I ask them if they have a solution  
And they just shake their head and slowly walk away.
