

Be with You

Beyoncé©

Oh, baby

Oh, baby

I love the way you make me feel

It slows down time

Come in my bedroom and turn off the lights

You whisper softly in my ear

Makes me unwind

The way you touch me lets me know you're mine

[Chorus]

I'd rather be with you 'cause I love the way you scream my name

And there's no other man that gives me what I want and makes me feel this way

I'd rather be with you 'cause you hustle hard to take care of me

I'd rather be with you; boy, I'd rather be with you

I love the way you look at me

Stare into my eyes

What do they say to you? Boy, don't be shy

Tonight's the night your fantasies

Will all come true

I am your woman: I belong to you

(There is nothing I won't do for you)

I know my soul connected me to you

I feel so safe when I'm alone with you

(I'm holding back nothing, saving it all for you)

Baby, I love making love to you

It's like a high I can't come down from you

[Chorus]

I'd rather be with you, oh yeah

Boy, I'd rather be with you

I'd rather be with you, oh yeah

Boy, I'd rather be with you

[Chorus: x2]
