

Devil Like Me

Rainbow Kitten Surprise

My heart and soul were never mine to own,
What you care to die for?
What you care to die for?
We die alone, we'll all die young,
What you care to die for?
What you care to die for?
Snow, snow glistens on the ledge, whiskey on the bed,
shake it out and light a cigarette
Miss me when you, you wish you weren't right.
Shake me all out if I'm wrong, for you, for you.
Shake it all out when I'm gone, I, for you.
Is the devil so bad if he cries in his sleep, while the earth turns,
and his kids learn to say, "fuck you"
they don't, love you.
Does the devil get scared if she dies in her dreams,
where the earth burns,
she cries 'cause she's nothing like you, is she like you?
What'ch you want from a devil like me, devil like me?
You see the devil don't mean to be evil,
he just regrettably forgets to exceed expectation.
Holes riddled in your head, little bit of lead,
shake it out and line a silhouette
Miss me when you, you wish weren't kind of glad.
Shake me all out when you're done, for you, for you
Shake it all out when I'm gone, I, you.
Is the devil so bad if he cries in his sleep,
while the earth turns
And his kids learn to say, "fuck you"
they don't love you.
Does the devil get scared if she dies in her dreams,
where the earth burns, she cries
'cause she's nothing like you, is she like you?
what do you want from a devil like me?
am I like you?
