

# No One

CeCe Winans

I whisper words about you endlessly  
Mostly to myself cause you make me believe  
No one could ever love you like I could  
There wouldn't be a day when you would feel alone  
And never would there be a time that you didn't know  
That no one could ever love you like I could  
So if you'd be the one to share in all my dreams  
I'd never let you go  
If you'd stay with me  
I promise you'll always know  
I couldn't spend my life without you  
And please believe me I would never doubt you  
I'll be the one to (help) answer all your prayers  
Anytime you need me  
Know that I'll be there  
Cause no one could ever love you like I could  
No one could ever hold you like I would  
Cause no one could ever love you like I would  
So if you'd be the one to share in all my dreams  
I'd never let you go  
If you'd stay with me  
I promise you'll always know  
I couldn't spend my life without you  
And please believe me I would never doubt you  
I'm hopin' that you hear these prayers of mine  
I'm hopin' we'll be together for all time  
Cause no one could ever love you like I could  
No one could ever hold you like I would  
Cause no one could ever love you like I would
