Grip Like a Vice (Found Sound Orchestration)

The Go! Team

Sophisticated queen MC
Yes of course, that's me, mistress of ceremony
The one that's gonna take it to the top of the key
Introducing myself, MC Lisa LeeThe blast from the past, superb in every word
Supest female rapper, yes, the best you heard
Lisa Lee is known to be the people's choice
I get parties rocking with my sensuous voiceAnd when you see the queen walking up the street
I'm not souped up, conceited, just incognit'
I make the fellas sweat 'coz I keep their bodies hot
It's a woman's world, you got to give it what you gotWell I'm Sha, party people, and I'm ready to rock
And if you wanna be down, you gotta gimme what you got
My fellas in the place, I won't steer you wrong
You gotta give it up or le-leave it aloneSo get ready for this, get ready for this
Party people in the place, get ready for this
To you, so what you gonna do?
Do you wanna rock the house and turn this mutha out?Fly girls, are you with us?
And if you're ready to rock, to help me turn it out
Fly girls, are you with us?
And if the world know what we're talkin' aboutTo all the ladies, yeah
I want you to listen
Hey, ladies, yeah, 1980Watch out for the fellas, yeah
That'll drive you crazy
Look out, ladies, yeah
And if the world know what we're talkin' aboutSo get ready for this, get ready for this
Party people in the place, get ready for this
To you, so what you gonna do?
Do you wanna rock the house and turn this mutha out?Fly girls, are you with us?
