I'll Feel A Whole Lot Better

Reno Bo

The reason why, oh I can say
I have to let you go, babe and run awayAfter what you did, I can't stay on
And I'll probably feel a whole lot better
When you're goneBaby for a long time, you had me believe
Oh that your love was all mine and that's the way it would beBut I didn't know that you were putting me on
And I'll probably feel a whole lot better
When you're gone, up when you're goneNow I've got to say that it's not like before
And I'm not going to play your games anymoreAfter what you did, I can't stay on
And I'll probably feel a whole lot better
When you're gone, up when you're goneUp when you're gone
Up when you're gone
