Unconditionally

Michael Johnson

If itâ€™s me you want, Iâ€™m yours
Iâ€™m a house of open doors,
Why should I be.., afraid to let you in.

But if you need to run, okay
Iâ€™m not standing in, your way
Youâ€™re not some prize for me to lose or win

Itâ€™s not some game, I am trying to play
Cause I love youâ€¦,

Unconditionally, unconditionally maybe you..,
Find it hard to understand,
But youâ€™re in my heart, wherever you go
And I want you to know, I love you babe
Unconditionally

You say you been hurt, before
And thereâ€™s no way to know, for sure
As if Iâ€™m hiding something up my sleeve

Thereâ€™s no bridge in me, to burn
Cause I want nothing in return
And itâ€™s little consequence, what you believe

Thereâ€™s no reward, Iâ€™m trying to earn
Cause I love youâ€¦

Unconditionally, unconditionally maybe you..,
Find it hard to understand
But youâ€™re in my heart, wherever you go
And I want you to know, I love you babeâ€¦
Unconditionally

When love is true, no matter what you do
It still believes in you, and I doâ€¦,

Unconditionally, unconditionally maybe you..,
Find it hard to understand
But youâ€™re in my heart, wherever you go

And I want you to know, I love you babe
Unconditionallyâ€¦, Unconditionally,
Unconditionally
