Watch Me (feat. Zendaya)

Bella Thorne

I don't need no one
To tell me how to feel the beat
I don't need no beat
To tell me how to move my feet
Just go and do what you do
'Cause there's nothing to proveI'm just being me w-watch me do me
I don't need no magazine
To tell me who to be
I don't need to pose
For p-p-paparazziJust keep the cameras' flashin'
To try and catch this action
I'm just being me, w-watch me do me
Me, me, meLight up the floor
Play me one more
Let me hear that
Click clack on the high high
Heat of this vibrateHear the room rock
Light up the floor
Just like before
Let me hear thatBase drop from the boom box
Make your heart stop
Together
Feel the room rockI'm doing all I wanna do
And I won't stop until I can't move
I'm just being me
Watch me do meMe, me, watch me do me
Me, me, watch me watch meI don't need no music
When I wanna sing a song (watch me)
I don't need what's popular
To know what's right or wrong(watch me)I'm busy burning the track
Not holdin' anything back!
I'm just being me w-watch me do me
Me, me, meLight up the floor
Play me one more
Let me hear that
Click clack on the high high
Heat of this vibrateFeel the room rock
Light up the floor
Just like before

Let me hear thatPlease stop from the boom box
Makin' us stop
Together
Feel the room rockI'm doing all I wanna do
And I won' stop until I can't move
Together, I'm just being me
Watch me do meTogether
I'm ready, I'm I'm ready to go
Let let it, let let let it explode
(Oh yeah)
I'm ready, I'm I'm ready to
Go, go, goLight up the floor
Play me one more
Let me hear that
Click clack on the high high
Heat of this vibrateTogether
Feel the room rock
Light up the floor
Just like before (just like before)Let me hear that
Please stop from the boom box
Makin' us stop
I'm doing what all wanna do
And I won't stop until I can't moveI'm just being me
Watch me do me (me, me)
Watch me do me (me, me)
Watch me, watch me
