First Day of My Life

Bright Eyes

This is the first day of my life
Swear I was born right in the doorway
I went out in the rain, suddenly everything changed
They're spreading blankets on the beach Your's is the first face that I saw
I think I was blind before I met you

Now I don't know where I am Don't know where I've been

But I know where I want to goAnd so I thought I'd let you know

That these things take forever

I especially am slow

But I realized that I need you

And I wondered if I could come homeRemember the time you drove all night

Just to meet me in the morning

And I thought it was strange

You said everything changed

You felt as if you'd just woke upAnd you said, "This is the first day of my life

I'm glad I didn't die before I met you

But, now I don't care, I could go anywhere with you

And I'd probably be happy"So if you wanna be with me

With these things there's no telling

We'll just have to wait and see

But I'd rather be working for a paycheck

Than waiting to win the lotteryBesides, maybe this time it's different

I mean I really think you like me, me, me, me
