Magic

Robin Thicke

Hey
Wooo
Alright
Baby
Ohhh
Oh
Yeah

I can make the pain disappear
And I can erase the past ohh
I can make the future shine so bright
And I can make right now alright yeah
I got it you got it we got the magic girl
I got it you got it we got the magic girl
I got it you got it we got the magic girl
I got it you got it we got the magic girl
All I got is concrete all around me woooÂ
But I can see the countryside
You can be rich when youÂ’re poor
Poor when youÂ’re rich
It can be raining
and I can make the sun shine

I got it you got it we got
(wooo)
the magic girl
I got it
(you know you got it baby)
you got it we got the magic girl
I got it
(IÂ’ve got it baby)
you got it
we got the magic girl
I got it
(You know I got it baby)
you got it we got the magic girl
I know sometimes sometimes you feel no hope
But IÂ’ve been down off that lonely road
I took whatever gift he offered me

Because I knew that he would set me free
(whoa) I got it you got it (wooo)
we got the magic girl
I got it (magic baby)
you got it
we got the magic (woo) girl
I got it
(we got the magic baby)
you got it we got the magic girl
Skip
I got it you got
it we got the magic girl wooo
Science they canÂ't prove it
But I know I can do it
I can fly
I can bend metal with my mind
I can wake up in a paradise ohhhh

We got that magic
We got that magic
We got that magic
We got that magic
Hey
We got that magic
We got that magic
Ewww
Got that magic come on
Hey
I got it you got it we got that magic girl
I got it you got it we got that magic girl
I got it you got it we got that magic girl
I got it you got it we got that magic girl
Everyday
