

# How do You Love?

## Collective Soul

There once was love thrown into your room  
But you never knew  
A calendar of days just for you  
But you never knew, never knew, no  
And the truth that you'll find will always be  
The truth you hide So how do you love?  
How do you love?  
When your angels can't sing  
And your world is still lacking of me, yeah, yeah There once were eyes that only saw you  
But you never knew  
A portrait of a flower in full bloom  
But you never knew, never knew, no  
And the words that you fear will always be  
The words you hear, yeah, yeah So how do you love?  
How do you love?  
When your angels can't sing  
And your world is still lacking of me, yeah, yeah This space where you've been living  
Has gifts you've never given  
That's the face you always show  
Ask me for words of wisdom  
Tell me of your condition  
I don't know, I don't, I don't know And the truth that you'll find will always be  
The truth you hide, yeah, yeah So how do you love?  
How do you love?  
When your angels can't sing  
And your world is still lacking of me, yeah So how do you love?  
How do you love?  
When your angels can't sing  
And your world is still lacking of me, yeah, yeah, yeah How do you love?  
How do you love?  
How do you love?
