Wait for Me (feat. Bridgit Mendler)

Shane Harper

I've written a thousand words I know
Sorry I love you and please don't go
I've waited so long I'm sure it shows
I've written a thousand words I knowI'm wasting away
A little more everyday
Wait for me x2
When I ask you to stay
Are you gonna go on your way?
Wait for me x2
(Wait for me)I saw a million lies you spoke
Over and over until we broke
I know that it means everything
To you but do you really think?
This time apart will mend and help us grow
I told a million lies I knowI'm wasting away
A little more everyday
Wait for me x2
When I ask you to stay
Are you gonna go on your way?
Wait for me x2
(Wait for me)Oh woah Oh woah Oh woah Oh woah Oh woah Oh woahI'm wasting away
A little more everyday
Wait for meWe're wasting away
A little more everyday
Wait for me x2
When I ask you to stay
Are you gonna go on your way?
Wait for me X2YeahMy love
Don't tell me that its over
My love
Can't take it anymore
My love
You're staring at the future
My love
You're staring at the doorDon't wait for me
