

What Great Hope

CfaN Worship Uk

What great hope our God has given
Jesus died and rose again
Soon He'll come to Earth from Heaven
We will meet Him in the air Oh to seek this King and love Him
See His will and not my own
Turn aside and hear the Spirit
Lay my life before Him now In this race I run so boldly
Faith not fear will be my crown
Victory will be my story
Pressing on and heaven bound When I stand before His glory
Singing voices all around
Hear Him say "My faithful Servant"
In His Presence I am found
