

I'm By Your Side

Samantha Cole

When you need a hand to hold
And no one is there for you
When you spend one too many nights
Out on your own When you friends just let you down
I'll lift you up baby
I'll be around, darling I'm by your side
Any time you're feeling lonely
I'm by your side
Just reach out your arms and hold me, hold me I'm standing by to give you love
Call me and I'll come runnin', baby
I'll come runnin', runnin' When troubles have found your heart
And worries weigh on your mind, oh baby
And dark clouds hang over your soul
You're not alone Like your shadow, I'll be there
And no matter when, baby
No matter where, darling I'm by your side
Any time you're feeling lonely
I'm by your side
Just reach out your arms and hold me, hold me I'm standing by to give you love
Call me and I'll come runnin', baby
I'll come runnin', runnin' Ooh, reach for my hand
And I'll pull you through the pain
Keep you from the rain
Hold you and show you
The love waiting here for you Oh baby
Oh yeah I'm standing by to give you love
Call me and I'll come runnin', baby
I'll come runnin', runnin'
I'll come runnin', baby I'm by your side
Any time you're feeling lonely
I'm by your side
Just reach out your arms and hold me, hold me I'm standing by to give you love
Call me and I'll come runnin', baby
I'll come runnin', runnin' I'm by your side
I'm by your side
I'm standing by to give you love
Call me and I'll come runnin', baby
I'll come runnin', runnin'
