One I Want

OmarGosh

Verse 1:
Chilly nights with a sweatshirt on
When I roll up and see you just chilling
Ask if you notice me that way also
Yeah
You're the notification
I really wanna see tonight
And just gonna be real honest you know we got some good plans tonight

Chorus:
You know that youâ€™re the one I want
Girl, itâ€™s all I can do
Not to come over see you
Baby youâ€™re the one I want
And itâ€™s time I be a hundred
Girl I swear itâ€™s not a lie
Cuz when Iâ€™m here, Iâ€™ll be real with you
Letâ€™s just do what we gotta do
Iâ€™ll give you everything
Youâ€™re the only one I want
And I want you all night long, yeah

Verse 2:
Now it feels right, baby come on over
You know that I'm tryna tryna keep ya
Cuz youâ€™re the one for me
When you're here, I feel so free
Like we can do anything
Be my queen, Iâ€™ll be your king
Iâ€™ll give you what you need
Girl, Iâ€™m on it
Like anyway, anyway you want it
Let the good times roll on and on yeah
This is it girl
All your dreams will come true

Chorus:
You know that youâ€™re the one I want
Girl itâ€™s all I can do

Not to come over see you
Baby youâ€™re the one I want (only one)
And now itâ€™s time that I be a hundred
And I swear itâ€™s not a lie
Cuz when Iâ€™m here, Iâ€™ll be real with you
Letâ€™s do what we gotta do
Iâ€™ll give you everything you everything
Youâ€™re the one I want
And I want you all night long, yeah
And I want you all night long, yeah

Verse 3:
Youâ€™re the one I want
This is real, it won't be consistent
Yeah, it could happen again
You and him be together and I think it's pretend
You know it's 2, maybe 3am
I been thinking bout you when I'm all in my bed
Just tell me itâ€™s a yes
Cuz I gotta confess
Itâ€™s always been you
Look me in the face
All these other girls couldnâ€™t take your place
Iâ€™m the one standing at your door
Telling you all the reasons that Iâ€™m here for
Yeah girl youâ€™re on it, and I know it cause you want it
This is too good to miss
Come on girl, just admit it
Youâ€™re the one I want

Chorus:
You know that youâ€™re the one I want (aha)
Girl, itâ€™s all I can do
Not to come over see you
Baby youâ€™re the one I want
And now itâ€™s time that I be a hundred
Girl I swear itâ€™s not a lie
Cause when Iâ€™m here, Iâ€™ll be real with you
Letâ€™s do what we gotta do
Iâ€™ll give you everything
Youâ€™re the one I want
And I want you all night long yeah
And I want you all night long yeah
