Tourist (Produced By James Bryan)

Yuna

I guess I'll hang around a little while, while you here
No, I don't feel like being somewhere else
I guess I wouldn't mind to fall in love a little bit
Ouch, I think I fell a little moreHanging on to nothing
I wouldn't change a thing
Stay where you are nowOh no I've said too much
Got both feet in
My dear you fear too muchI'm just a little bit love ridden
I'm falling in to youI'm just another tourist making stops, but it's clear
No, I'll never leave without you
Tell another story of love and loss and fear
No, we have another night to killHanging on to nothing
I'd do it all again
Stay where you are nowOh no I've said too much
Got both feet in
My dear you fear too muchI'm just a little bit love ridden
I'm falling in to youCrash through clouds and then we'll know
Don't look back I want you soLove ridden
I'm falling in to
Love ridden
I'm falling in to youOh no I've said too much
Got both feet in
My dear you fear too much
Just keep breathingOh no I've said too much
Got both feet in
I hope it's not too muchI'm just a little bit love ridden
I'm falling in to you
