

# Honestly

## Trine Lise VÅring

I believe

I believe

I believe

I believe the love you talk about with me

Is it true, do I care

Honestly, you can try to wipe the memories aside

But it's you that you erase

'Cause there's no place that I could be without you

It's too far to discard the life I once knew

Honestly, all the weather storms are bringing

Are just a picture of my dreams

'Cause when I think of you as mine

And allow myself with time

To lead into the life we want

I feel loved, honestly

I feel loved, this honestly

I believe you mean the best that life can bring

I believe in it all

Honestly, you can try, your heart is just as long as mine

Is it ours to let go

'Cause there's no place that I could be without you

It's too dark to discard the life I once knew

Honestly, a single wrong is not enough

To cover up the pain in us

'Cause when I think of you as mine

And allow myself with time

To lead into the life we want

I feel loved, honestly

I'll make a joke so you must laugh

I'll break your heart so you must ask

Is this the way to get us back

I don't know, honestly

I don't know, this honestly

There's no place that I could be without you

Honestly

There's no place that I could be without you

There's no place that I could gleam without you

There's no place that I could dream without you

There's no place that I could be without you

Honestly
