Dear Romeo

Emma Forman

Oh dear Romeo, you're so overdue
If you finally turn up I swear I'm never gonna marry you
Oh dear Romeo, have you got some sort of addiction problem?
Oh dear Romeo, you seem a little off centre most the time
Oh dear Romeo, you seem a little agitatedOh dear Romeo, I've grown old waiting on you
Oh dear Romeo, I've got bored waiting on you
Oh dear Romeo, I hate people who are late
Oh dear Romeo, f#ck youDear Romeo, I don't want you anymore
To have mistresses is just off score
Oh Romeo, you never do get it right
You're kinda clumsy, and your chat up lines are shite
Oh Romeo, ride onOh dear Romeo I've grown old waiting on you
Oh dear Romeo, do you realize you're overdue?
Oh dear Romeo, what the f#cks wrong with you?
Oh dear Romeo, forget it, f#ck youOh dear Romeo, I've grown old waiting on you
Oh dear Romeo, do you realize you're overdue?
Oh dear Romeo, your chat lines are shite
Oh dear Romeo, forget it, f#ck you
