

# Gray

## 9 Ball

Stars of gray  
Come take my soul away  
I lost my way  
Come take my soul away  
My soul away  
Mountain of gray  
Come take my soul away  
I've lost my way  
Come take my soul away  
My soul away  
Oh, oh, oh, sun  
Oh, oh, oh, sun

Oh, oh, oh, sun  
My soul away  
My soul away  
Take me, take me  
My soul away  
Take me gray, my soul away  
Take me, take me gray  
I don't wanna lose you  
I don't wanna lose you, baby
