

Hell on Wheels

Darkbuster

Cher

Prisoner (1980)

Hell On Wheels Well I'm hell on wheels I'm a roll on mama

I can slide down places that you never knew

Try me on for size at the roll-a-rama

If you tie my laces and I'll follow you

Follow you follow you

CHORUS:
See something I like, gonna go for it

See something I want, I'm gonna go after it

See something I like, gonna go for it

See something I want

Let's roll hell on wheels let's roll

Come on and roll with me

I roll at a quarter till three yeah

And let's rock hell on wheels let's rock

Come on and rock it with me

I'll make you feel so free yeah, Look out

Well I'm hell on wheels say I'm roller crazy

I won't go too fast no I won't go too far

We'll be high on wheel if the room gets hazy

Just look out for me I'm your guiding star

Guiding star, guiding star See something you like, better go for it

See something you want, better get down on it

See something you like, better go for it

See something you want Let's roll hell on wheels let's roll

Come on and roll with me

I roll at a quarter till three yeah

And let's rock hell on wheels let's rock

Come on and rock it with me

I'll make you feel so free yeah, look out

If you see something you like, you better go for it

If you see something you want, you better get down on it

If I see something I like, I'm gonna go for it

If I see something I want

You know I'm gonna get down on it Well I'm hell on wheels I'm a roll on mama

I can slide down places that you never knew

Try me on for size at the roll-a-rama

If you tie my laces and I'll follow you

Follow you follow you

Chorus
