It's Like Air

Communions

You don't have to hide
There's a world outside
Let yourself be known
Let yourself be known
You're not aloneWhen you touch me
I'm telling you that it's like air
I lose the will to care
And I just breatheDon't say goodbye
Dry your eyes
Let yourself be seen
Let yourself be seen
You don't need to dreamWhen you touch me
I'm telling you that it's like air
I lose the will to care
And l just breathe
Yeah, no matter what they say
Let the truth be told
You're better off in the light
No matter what they say
I'm better off by your side
I'm better off by your side
I'm better off by your (...)
I'm better off by your side
By your side
I'm better off by your side
By your side
I'm better off by your side
