Goodbye

Admiral Twin

Can you still taste
that last goodbye?
Like blood and old perfume
It haunts you
It won't go awayAnd while it lingers
On your tongue
You let the faucet run
You stare off
You don't hear a thingOh, it's no use to cry
It's no use to cry
Now please believe
You only need
To say goodbye
Bye-byeCan you still taste
That last farewell?
Like poison in your fruit
It pains you
It taints everythingAnd now it's coursing
through your viens
And leaving ugly stains
On the memories
Of what we once wereOh, it's no use to cry
It's no use to cry
Now please believe
You only need
To say goodbye
Bye-byeOh, it's no use to cry
It's no use to cry
Now please believe
You only need
To say goodbyeCan you still taste
That last goodbye?
