Twenty Thousand Leagues

Midnight Juggernauts

Floating over
High up above
So far, so good
Twenty thousand
Leagues down below
So far, so goodDay by day, calling out
Calling out to you
Day by day, calling out
Calling out to youDay by day, calling out
Calling out to you
Day by day, calling out
Calling out to youWatching over
Dropped from above
So far, so good
Falling under
Deep down below
So far, so goodDay by day, calling out
Calling out to you
Day by day, calling out
Calling out to youDay by day, calling out
Calling out to you
Day by day, calling out
Calling out to you
