We Just Be Dreamin'

Blazin' Squad

Close my eyes an' I'm there again we've got girls sweet smoke in the air again We dreamin, We jus' be dreamin

N' now we're livin in the sunshine((Krazy))

Close my eyes and I dream for a minute

The place I had dreamt had us all in it

Hittin girls up two at a time and we'll be livin in the sunshine

This girl was lookin at me

She had long brown hair

about 6 - 3

Girl - you're too tall for me

So baby - go try your luck with KenzieSippin' on gin n juice in the shade

Girls by my side cuz I just got paid

I got a right to blaze it

Bumped by the caseload

Eating strawberries off of her navel

(2: (Strider))

Let me tell you about a dream of mine

We were all laid back in the sunshine

We dreamin - girls just be screamin

I dont think its my time to leave and

I aint coming down for days

I'm feeling so good in so many ways

Feeling so crazy - chilling with the beautiful ladies(x2:)

(Flava)

Yo - me n the boys are here

What you know about us?

How we roll in the summer

How we blaze bunnin it up

runnin the beats, sunnin the streets

winnin the cup luvin the heat

comin from me- its picking me up

(Rocky B)
