Liza

Al Jolson

Liza, Liza, skies are grey
But if you smile at me, all the clouds will roll away
Liza, Liza, don't delay
Come keep me company, and the clouds will roll away

See the honey moon is shining down
We should make a date with Parson Brown
So Liza, Liza, name the day
When you belong to me, and the clouds will roll away

See the honey moon is shining down
We should make a date with Parson Brown
Liza, Liza, won't you name the day
When you belong to me, and the clouds will roll away
Liza
