

# Intro

## Lil Rob

Well my name's Roberto Flores  
But my homeboys call me Lil' Rob  
Well my name's Roberto Flores  
But my homeboys call me Lil' Rob  
I'll drop these lyrics on your mind  
With this crazy unic style of mine  
Now some may say I'm bad  
And some may say I'm cool  
Either way it's all okay  
I do this just for you  
Well my name's Roberto Flores  
But my homeboys call me Lil' Rob
