Where's the Fun in Forever

Miguel

Wheres the fun in forever?
swimmin' in a sea of time.
If we only knew begging, no end in sight.
to feel unknown.
Wheres the fun in forever?
would you love so hard?
would you strive to be better?
could we have gone this far?
Have you ever stopped to think about how it would be, anyway?Tommorows just a day away(X4)
Tommorow isnt promised, wheres the fun in forever?
Celebrate.wheres the meaning in tommorow?
wheres the rush?
wheres the aches?
never feelin time is borrowed, cause its all the same.
Its kinda sad to think about how it would be thank goodness thatTommorows just a day away(X4)
Tommorow isnt promised, wheres the fun in forever?
Celebrate.(Alicia Keys)
Wheres the fun in forever?
Gotta live it like your last day.
having songs for the moment,
celebrate celebrate (X5)Its a crazy thought to think about how it would be thank goodness that
Tommorows just a day away(X4)
Tommorow isnt promised, wheres the fun in forever?
Celebrate.
