

Pantile

Beady Belle

I am a Pantile
My home's a ridge in your town
I am not fragile until I fall down I am on firm ground
Though I am nearest to the sky
At night I watch all the stars while I sigh: Oh
 I'm by Jove
 So high above
 The life you live
 But I believe
 That I am a part
 I am on steep ground
 My life will end if you shake
And I can feel all the movements you make In your jig-saw-puzzle
 I'm the invisible piece
But when it rains you'll need me to have bliss
 Oh
 I'm by Jove
 So high above
 The life you live
 But I believe
 That I am a part
