You Are the One

Poco

Look up, wake up, the sun is shinin
No, its not tomorrow, its today
Stand up, make up for what youre finding
Cause anyone whos turned around and lost his wayIs looking for you, you are the one
Who only needs to show a smile
You are the one who can make any day seem worthwhile
You are the one, you are the oneShameless, tameless, are ways about you
And changing them now would seem unreal
Nameless, aimless, who shouldnt doubt you
I wonder if you really know what you feelHey, Im talkin to you, you are the one
Who only needs to show a smile
You are the one who can make any day seem worthwhile
You are the one, you are the oneLook up, wake up, the sun is shinin
No, its not tomorrow, its today
Stand up, make up for what youre finding
Cause anyone whos turned around and lost his wayIs looking for you, you are the one
Who only needs to show a smile
You are the one who can make any day seem worthwhile
You are the one, you are the one
